High fidelity wireframe

The wireframe illustrates the user interface of the Earth Tribe website across four main sections:

- Homepage:** Features a large banner with the tagline "Saving our planet together, one challenge at a time." Below this, there's a section titled "Join the global Earth Tribe community" with three challenges listed: "Champions for Nature Challenge", "Tide Turners Plastic Challenge", and "Scouts Go Solar Challenge". Each challenge has a brief description and a "Become a [challenge name]" button.
- Challenge Detail Page:** Shows a challenge titled "In Alertation". It includes a summary text, a photo of a member named Jimena O. Ramirez from Peru, and a quote from William, a Earth Tribe Youth Member.
- Member Profile:** A detailed view of a member profile for Jimena O. Ramirez, showing her bio, photo, and activity history.
- Landing Page:** A dark-themed page with the headline "Sav[ing] our planet together. Join the global Earth Tribe movement!" and a "Join the Earth Tribe" button.

The image shows a high-fidelity wireframe of a web application interface. On the left, a large white box contains the word "Source" at the top left. Below it is a section labeled "OVERLINE" with a blue background. The main title "Powerful features for working smarter and safer" is displayed in bold black text on a white background. A small note below the title states: "It ensures that they are kept up to date on any developments and changes made to the structure or visuals". At the bottom left of this box is a blue button labeled "Button". On the right side of the image, there is a "Sign in" link at the top right of the main content area. Below it is a "Sign up" form. The form includes fields for "Name" (with a light gray placeholder), "Email" (with a light gray placeholder), and "Password" (with a light gray placeholder). There is also a checkbox labeled "I agree to Source's Conditions of Use and Privacy Notice". At the bottom of the form are two buttons: a blue "Create account" button and a white "Sign up with Google" button.
